COUNCIL RATES INCREASE

BY 6.4%

Ratepayers in Altona will pay an extra 6.4 per cent. in rates this year.

Altona Council decide at a special meeting last night to raise its rates — for the first time in four years — to 13.3 cents in the dollar.

This was a rise of 0.8 cents in the dollar on the previous rate of 12.5 cents in the dollar which had been levied since the City revalued in 1968.

"To most ratepayers the rise will mean an extra \$5 out of their pockets this year, but this rate is what we consider a very minor increase," chairman of the finance committee, Cr. L. S. F. Crofts, said after he had moved acceptance of council's 1972 estimates last week.

Earlier, at the past open

council meeting, Cr. Crofts attacked the State and Federal Governments for placing more burdens on municipal councils each year.

'To ransom'

"The Governments are holding us to ransom and standing over councils," he said.

"We are continually faced with increasing costs and have to find the money to pay for extra

library services, infant welfare services, kindergartens, council staff sick leave and amenities for elderly citizens."

"The council and ratepayers have to foot this bill and it is high time that much more assistance was given by the State and Federal Governments."

"This year we had to contribute \$61,630 towards the running of the Metropolitan Fire Brigade," said Cr. Crofts.

"In Victoria, municipal councils are expected to contribute one-third of the cost of the fire brigade, whereas, in NSW, they pay only one eighth."

Rates:

How they compare

At 13.3 cents in the dollar, Altona's new rates are still lower than the rates paid last year by residents in Williamstown and Footscray.

In Williamstown the rate was 16 cents in the dollar and in Footscray it was 15 cents in the dollar.

The new rate is slightly higher than rates paid last year by Sunshine and Werribee residents who paid 13 cents in the dollar.

These four municipalities have not yet determined their rates for this year.

\$100,000 loan for council

Altona Council has been granted a loan of \$100,000 by the Commonwealth Savings Bank.

Effective from November 1, the loan money will be spent by council on road construction, development of reserves and sewerage of council properties.

Announcing the loan, the manager of the Commonwealth Savings Bank at Altona, Mr. L. T. Bryant said, "the Commonwealth Savings Bank has now lent \$740 million to local government bodies and \$1736 for housing".

Altona's mayor, Cr. P. J. Lynch, said the availability of funds would enable council to immediately begin high priority jobs in its works programme. He said that council was most appreciative of the loan.

Rubbish fines

People who throw litter on the Altona foreshore this summer will face the risk of being fined a maximum of \$200.

Altona is the first municipality in the western suburbs to have the power to impose on the spot litter fines on any person caught littering in the city.

Under Section B of the Litter Act, 1964, council will appoint an officer who may serve on the spot notices to anyone he observes dropping litter in the municipality.

STAR GAZE

For days we had noticed it and then all of a sudden it was gone. It looked like some sort of camera or electric eye and it was wired to a power box at the Galvin railway crossing. It was pointed straight at the flame of the APC refinery and if you stood next to it the story is that you heard a distinct "click" every three minutes. Now, just as mysteriously as it appeared it has vanished and a "shroud of mystery" still surrounds it.

A WESTGATE PUBLICATION

'Bubbly' Town Clerk

Altona's Town Clerk, Mr. J. W. Waters, was described as a "Champagne Town Clerk," last week, by the Mayor, Cr. Pat Lynch.

It was Mr. Waters' birthday and the mayor, councillors and visitors to the Tuesday night council meeting were gathered together for refreshments, supper and a few surprises.

The fun started when Mr. Waters demonstrated the latest in toy gadgets — the wall walker. He stuck the little monster to the wall and, to the delight of all, down the wall it walked.

"I've got one of these here for each councillor," said Mr. Waters. "It will remind each of them how much time was spent poring over those estimates this year."

But there were more "goodies" to come, chairman of the finance committee, Cr. Les Crofts, was presented with a jar of chunky orange marmalade. Other councillors received Scotch whisky flavored preserves and a special for Cr. Ray Richards was a jar of "Plum Rum" jam.

When "Santa" Waters had delivered all "goodies" it was the councillors turn to sing a special "Happy Birthday" and drink a toast to Altona's champagne town clerk — with champagne that he bought himself.

Toast to bride

John Kenneth Andress toasts his bride, Halina Sawczuk after their wedding at St. Andrew's Church, Footscray, on September 9.

Pan fees \$3 more

Pan fees in Altona have been raised from \$27.50 to \$30.50 a year by Altona Council.

The new fees were set at a special meeting of council last night.

"Last year council had to put the fees up 25 per cent, from \$20 to \$27.50, because of the decrease in number of people using the pan service and increasing costs," town clerk, Mr. J. W. Waters told The Star.

Halina is the only daughter of Mr. and Mrs. Sawczuk, of Vista Street, St. Albans, and John, is the only son of Mr. and Mrs. K. L. Andress, of Railway Street, North Altona.

The bride was attended by Mrs. C. Andress, Mrs. E. Sanders, Miss F. Poswiat, Mrs. L. Malysz and Miss J. Trat.

Best man was Mr. K. Nightingale and groomsmen were Mr. J. Sanders and Mr. M. Baylish. A reception was held at Goldenreagh.

PINE TREES TO STAY

The fate of two pine trees was in the balance, at the meeting of Altona Council last week, when repairs to the boundary fencing between the Truganaina Explosives Reserve and council's adjoining property were discussed.

The Public Works Department had written to council following a request from the Mines Department that the fencing be repaired.

The department advised that the Minister of Public Works would invite tenders for the repairs and that council's share of the estimated \$374.60 costs would be one-half.

At the recommendation of City Engineer, Mr. R. C. Simmons, Cr. Charlie Carlsson moved that the Public Works Department be advised that the council would pay half the cost of the proposed paling fence, but that council requested that the old pine trees immediately west of the fence be felled before the new fence was built.

Cr. Doug Grant opposed the motion which was seconded by Cr. Pat Burns.

He asked city engineer Mr. Simmons why he had recommended the felling of the pine trees.

"There is a fair chance of them toppling on the adjacent council owned dwelling," said Mr. Simmons.

Cr. Grant went on to suggest that for security and consistency it would be better to build a galva-

nised fence than the paling type.

Cr. Grant's motion that council write to the Public Works Department suggesting that a galvanised fence be built at half cost to council, and that the pine trees stay, was passed.

OF NO USE TO ALTONA

"A wayside stopping place on land bounded by the Lower Yarra Freeway, the Princes Highway and Kororoit Creek would be of no use to Altona," City Engineer, Mr. R. C. Simmons, told Altona Council, last week.

Mr. Simmons was commenting on a proposal by the Country Roads Board. In a letter to council, the board said it would bear the cost of developing the area. Council was asked to advise whether it would be prepared to take over the maintenance.

Reporting to council, Mr. Simmons said that in past years, the area mentioned had been frequented by gypsies and other unauthorised campers.

"The area would obviously become a picnic ground for the travelling public," he said.

"There is no residential area of Altona City nearby in this isolated section."

Cr. Doug Grant asked Mr. Simmons why he had recommended that the Country Roads Board be advised that council was not prepared to take over the maintenance of the area.

"It will cost us money and will be a burden to us," said Mr. Simmons.

"Fair enough," said Cr. Grant and council passed the recommendation.

STREET STALL

Altona West Infant Welfare and Kindergarten Committee has gained permission from Altona Council to conduct a street stall at the Harrington Square shopping area on Saturday, October 16.

GREENER SCHOOL

More than 50 trees and shrubs were planted recently at Altona North High School's grounds.

In a letter to Altona Council, the school's principal, Mr. R. W. Roberts said that he was in receipt of council's letter relating to the theme "Keep Australia Beautiful — Grow Trees."

Mr. Roberts said that the school had bought

trees and shrubs for boundary planting and for planting in the school's flower beds.

They were planted during a working bee on September 12.

YACHT DAY

Members of Altona Yacht Club have invited the Mayor of Altona, Cr. P. B. Lynch, and Altona councillors and their wives to attend the open day for the 1971-72 sailing season to be held on Sunday, October 24.

After the opening ceremony, at 2 p.m., the programme will commence.

Thanks for bus

Altona Council has received a letter from the secretary of the Altona Elderly Citizens' Welfare Committee, Mrs. W. Sommers, thanking council for the bus donated recently.

"I can assure the council that this bus will be greatly appreciated by our older citizens and will afford much pleasure, and convenience," said Mr. Sommers.

"THANKS"

Altona Council has received a letter of thanks providing the crib crossing across the railway line at Bayside Village.

The letter from Mr. and Mrs. F. B. Bond of James Avenue, read: "We are writing this letter to express our thanks for the crib crossing across the railway line at the Bayside Village."

"Your efforts to cater for the needs of the citizens of Altona are greatly appreciated."

At the meeting of Altona Council last week, the City Engineer, Mr. R. C. Simmons, made the following progress report on works in the city:

SAYS HEALTH INSPECTOR

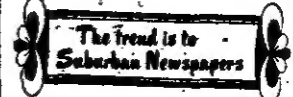

A complaint about unsanitary conditions at the rear of the Civic Parade shops was unfounded, Altona's Chief Health Inspector, Mr. J. Mellors told Altona Council last week.

In his report, Mr. Mellors said a recent inspection of the right-of-way at the rear of the shops had failed to disclose any unsanitary condition of the order complained of.

He said minor items which required attention, had been brought to the notice of the appropriate persons.

"There has not been a complaint lodged with this department regarding unsanitary conditions in this area for more than 12 months," said Mr. Mellors.

"However, if any person has occasion to complain, they should advise the council's health department where this matter will be given prompt attention," he said.

Val's Column

Hello Girls,

Right now is wig time Girls. Four styles at very cut prices, all colours to choose from — as these are styles put aside to allow for new, more modern sophisticated styles to come out.

You've heard of Vidal Sassoon — now see three of his wigs — boxed — at ridiculous prices.

Looking for a natural curly, easily managed style? Ask to see "Madison Avenue," soft, natural, and in all colours.

Then "Grovonor" has a wispy hair line, sleek short cap of hair, or flick curls. Both these styles at only \$10.

You will look stunning in a Vidal Sassoon, sleek, shiny, long fall Girls. "Super Falls" in all colors to either match or contrast with your own hair.

Then again — you can see the bouquet collection by Elma St. John for Tovar.

Calling a pert little wig "Sunflower" — a shaping of petals to be tossed into shiny tendrils, or worn silken smooth. No teasing ever. Just arrange — like a bouquet. Cool neck hugging nape line.

Or romantic Camellia. Hand picked for the lady of many moods. Wear it gleaming smooth off the forehead — sleekly waved or tossed and tumbled.

This collection only just arrived from Tovar. Coty brings us the Rembrandt Reds now.

Three splendid new semi-transparent shades for lips that for all their depth of colour are incredibly light in texture.

The shades — Rembrandt Red. A rich warm red Danae Cerise — a bright clear red, Flora Plum, a lightly frosted brown/red, and shortly a shipment of matching nail polish will arrive.

A once a year offer — Coty Parfum de Toilette Flacon Mist in L'Aimant. A beautifully shaped bottle Girls. Just perfect as a gift — or just for you.

Speaking of gifts — we now have a large range of men's cuff links and tie pins. Something to suit your man.

For yourself — a full range of Glomesh purses, key rings and wallets. Be wise — be first and have a large range to choose from.

'The history of rock and roll'

Victorian commercial radio history will be made on Saturday morning at 8.00 a.m. when radio 3XY will launch a 30-hour spectacular documentary The History of Rock and Roll. This was announced earlier this week by Mr. R. Heming, Programme Director of 3XY, who stated that the History will be featured in two 15-hour continuous units on Saturday and Sunday thus becoming the longest continuous segments ever to be presented on Victorian commercial radio.

The History of Rock and Roll took three years to produce and entailed staff visiting the major musical centres of the world to relive with present and former stars, the glamor and excitement of the rock and roll scene of the past and present. In all, 100 hours of material was edited to obtain the 30 hours which will be broadcast by 3XY. Special emphasis has been placed on the Melbourne rock and roll scene, and these

will be featured in segments throughout the entire presentation. The programme relives the early days of the Bee Gees, Billy Thorpe, Elvis Presley, Little Richard, Johnny O'Keefe and the Easybeats, just to mention a few of the 300-odd artists over a period of 16 years of pop music progress. The programme is of international standard and in addition to being featured by 3XY, will be sold to leading American stations for broadcast at an early date.

A close look at optometry

An expert panel in optometry, which is to examine the training and registration systems of optometrists overseas, has met in Canberra for the first time.

Dr. D. M. Myers, chairman of the Commonwealth Committee on Overseas Professional Qualifications said the panel will inquire into systems of training and registration for optometrists in overseas countries.

He added that it aims to evaluate such courses. "The panel will document Australian procedures for the recognition of overseas qualifications," Dr. Myers said.

Dr. Myers, who is the vice-chancellor of La Trobe University said the panel's work would be a positive step towards assisting the optometry profession in Australia in its assessment of overseas qualifications and eventually towards assisting optometrists overseas who wished to settle in Australia.

'CHARLIE GIRL' COMES TO TOWN

London's longest running musical comedy, 'Charlie Girl' has come to Melbourne — with its original top-billing stars Dame Anna Neagle and Derek Nimmo.

This is the first time in Australia a big hit musical has been presented with its original stars, Dame Anna Neagle and Derek Nimmo, who were with the show in London for a record-breaking 5½ years. During this time Charlie

Dame Anna Neagle

Jamaican-born Roy Allen, Dame Anna's dancing partner in the London production, will again partner her in Australia.

Others in the cast are Margo Lee, Peter Regain (also from the London production), Geraldine Morrow, Anna Bowden, Babs McMillan and Robin Bowering.

Co-starring with the two English artists is Australia's pop idol, Johnny Farnham.

This is Johnny's debut in musical comedy, and

Next Saturday's pennant draw is as follows: No. 1 side versus Rosamund at Altona; No. 2 side versus Williamstown at Williamstown; No. 3 side versus Fitzroy 4 at Fitzroy.

Both greens of Altona Bowling Club are in excellent condition.

The club welcomes new members. The secretary may be contacted on 398 1407.

Centre-half

Altona hockey player John Forrester was a member of the under-16 Victorian side which travelled to Sydney for the interstate series.

Although the team was not successful, John played excellently at centre half — a new position for him.

WESTGATE CRICKET

Westgate Cricket Club played on the Donald McLean Reserve, Spotswood, until construction commenced on the Westgate Bridge.

It was previously known as the Spotswood Impetials Cricket Club.

The club will be using a new oval built on the ground and reclaimed by land fill, using material excavated mainly from the Westgate site.

To ensure a worthwhile ticket, the club donated 150 to the Williamstown Council to assist in top dressing the ground.

ROPE QUOITS

The results of the second semi-final of the Melbourne Rope Quits Association are as follows:

Annual Golf Open at Sunshine

The Sunshine Golf Club's third annual open will be held on Sunday, November 14 on the club's course.

The number of entries will be limited to 96 and if it becomes necessary to limit the field, elimination by ballot of those with the

highest basic handicaps will be the deciding factor.

The open which is for all professional golfers registered with the PGA and any amateur with a handicap of not more than five will have 12 sections. The professional purse is \$650.

As in past years, Altona was well represented in interstate hockey in season 1971.

Pictured (left) is Greg Smith, who travelled to Adelaide with the under 2 team and only conceded one goal for the carnival. Victoria brought home the cup.

Also pictured is his brother Stephen, who played in goals for the under 14 side during the series in Melbourne.

LADIES' BOWLING

Altona Ladies' Bowling Club A1 team was beaten by Strathmore last week by eight points.

Scores: Jan Douglas 18-23; Pat Gisschus 26-28; Vera Sevin 26-25; Rubi Fischer 18-20.

Hip pocket appeal gives Ford bigger vehicle market share

By TREVOR DAWSON-GROVE

IN its latest advertisements, General Motors-Holden's admits the hip pocket has traditionally exerted a stronger influence than the heart on Australia's car buying public. Latest figures suggest it still is.

For the hip pocket seems to be winning out against the lure of new model styling and engineering.

Other factors must enter too — such as the labour situation in South Australia — but there would seem to be a correlation between Ford's August market share and pricing.

In the face of new model competition, Ford lifted its share of the medium car market from 24.8 per cent in July to 26.2 per cent last month.

TOTAL VEHICLE REGISTRATIONS MARKET SHARES PERCENTAGE

	August	July	June
GM-H	32.9	34.7	35.7
Ford	22.8	20.6	20.5
Chrysler	10.7	11.4	10.3
British Leyland	6.9	6.5	6.7
Japanese	17.7	17.6	18.1

In its ads, Ford has been saying: "How about saving yourself up to \$162 and get the best of the three."

"No, we haven't cut our price. But, after recent events, it amounts to the same thing. Falcon has always given you much more style, strength, comfort."

In its pricing comparison, Ford says its Falcon 500 with 200 cu in, 130 bhp "six" is \$162 less than its main competitor's comparable model.

Chrysler's advertisements tend to suggest that buyers should completely disregard the competition.

The advertisements say: "Now the question isn't which make but which Valiant."
